Intro:

Hey baby I know I've done you wrong
But the chances of you forgiving me are very very thin
But I pray to you to find in your heart to forgive me
Cuz I'm truly sorry for what I've done
(Don't you go baby)
Please baby (I'm begging you)
Hear my thing

1:

What would be appropriate to say to you in a time like
this?
When you're so confused
Nothing I can do

Chorus:

I'm sorry baby, please do forgive me
Don't you leave me there alone
I promise you that I will be more caring
On the state that you'll be true

2:

Days have passed and still we've not exchanged no
words to each other
(no, no, no, no)
No
Seems that I have played all my chances of ever loving
you
Oh baby please reconsider.

Chorus:

3:

I must admit I've been a fool (been a fool)
Been a fool and now I'm losing you, girl
And oh I'm crying, drowning in my own tears
Just of thought of being alone
Turns my world upside down, girl
Oh I'm sorry, oh baby don't you go

Chorus:

4:

Days have passed and still we've not exchanged no
words to each other

(no, no, no, no)

No

Seems that I have played all my chances of ever loving
you

Oh baby please reconsider.

Chorus:

Oh baby don't you go, don't you go, don't you go, don't
you go

I promise you, yea, yea, yea
