Just got paid and  
I got a little money to burn  
I gotta get laid  
Gotta find me a sexy girl

So me say hey pretty baby  
Wanna ask you yuh name  
I like the way u groove  
I hope you feelin da same  
Got me attracted to  
The shape and ya frame  
Let me introduce you to  
My group and my flame?  
Don't get it twisted  
I'm just bein blane  
Wanna save ya mind  
With lyrics and  
Get in ya veins  
If u got the tunnel  
Here comes the train  
Baby let me know if you're  
Down with my game Cuz I

Just got paid and  
I got a little money to burn  
I gotta get laid  
Gotta find me a sexy girl

I see you walkin by  
Gul ya lookin so fine  
Try to stop you in ya tracks  
And tell you whats on my mind  
It no matta if you neglect me  
One more time  
Cuz before the night done  
Baby girl you'll be mine  
You have two mountains  
I wanna climb  
I wanna take you back home  
And test ya waistline  
A one night stand girl

Is not a crime  
Cuz if you do it real good  
It can last a lifetime

Just got paid and  
I got a little money to burn  
I gotta get laid  
Gotta find me a sexy girl
