She?s hot, she?s blazing, everybody wants her name
And I gotta get her home with me tonight
She?s hot, she?s blazing, everybody wants her name
And I gotta get that girl in my life

Pa, pa, pa, pa, pa, pa, shes the toppa, toppa
See the gyal dem look good and look proper, proper
Me woulda giv 'er every dime, every copper, copper
Just fi have her ass sit down pon mi lappa, lappa

She wanna call me stoppa, stoppa
Creme de la creme, cream of de croppa, croppa
Some say dem hot but she hotta, hotta
Make me st, st, st, st, stutter, stutter

She?s hot, she?s blazing, everybody wants her name
And I gotta get her home with me tonight
She?s hot, she?s blazing, everybody wants her name
And I gotta get that girl in my life

Come on, baby, won?t you let me show my love for
you?
With all my heart, there?s nothing in the world I want to
do
When I saw you had to find the perfect words to say
And I?ll to anything, girl, that you ask to come my way

Kiss mi neck gyal and I suck on she ass
I have fi get ya body, baby gurl, it is a must
I have fi get ya body

You coulda huff, you coulda puff

You coulda whine, you coulda bluff
You coulda fuss, you coulda buss

You want me goody, goody, goody, gody gyal, trust
Bring your body come before mi pants front bussa
When time yuh pass yuh left me tempted to touch
Mi want fi rr-rr-rev it up like mi Lexus

She?s hot, she?s blazing, everybody wants her name
And I gotta get her home with me tonight
She?s hot, she?s blazing, everybody wants her name
And I gotta get that girl in my life

Come on, baby, won?t you let me show my love for
you?
With all my heart, there?s nothing in the world I want to
do
When I saw you had to find the perfect words to say
And I?ll do anything, girl, that you ask to come my way

She?s hot, she?s blazing, everybody wants her name
And I gotta get her home with me tonight
She?s hot, she?s blazing, everybody wants her name
And I gotta get that girl in my life

She?s hot, she?s blazing, everybody wants her name
And I gotta get her home with me tonight
She?s hot, she?s blazing, everybody wants her name
And I gotta get that girl in my life
