Suicide, it's on the TV  
Homicide, it's on the streets  
Try to ask your momma  
She say, she don't know  
Try to ask your daddy  
But he's got to go, yeah

Your looking out your window, baby  
What you see is what you get

Welcome to hell on earth  
Welcome for what it's worth

Every night I reach inside  
Staring in the mirror  
I wonder why, I said  
?Welcome to hell on earth?

It's all inside, It's never easy  
Cut and die, I live or die  
Try to ask your best friend  
He say, he don't know  
Try to ask your daddy  
But he's got to go, yeah

Your looking out your window, baby  
What you see is what you get

Welcome to hell on earth  
Welcome for what it's worth

Every night I reach inside  
Staring in the mirror, you wonder why  
Welcome to hell on earth

In the night you hear the sirens  
Every night you wonder why  
There is no one to turn to  
There is no place to hide  
If you want to pull through  
You got to reach inside

I said, welcome to hell on earth  
Welcome for what it's worth
