You say, I drink too much
I do too much smoke
You say, I drink too much
I do too much coke, that's a joke

When you say I get to London
I get too loud, I'm proud
If you don't like it
Don't hang around, no

'Cuz I'm hit and run all the way
Yeah, I'm hit and run, we might die today
I'm hit and run all the way
(Hit and run, hit and run)
Yeah, I'm hit and run, we might die today
Okay, okay

Now, I'm gonna move
I wanna slow down
Pedal to the metal
I never touch the ground

Runnin' all the red lights
Too much speed I need
Breakin' all the rules
I hear the devil scream and he says

Then I'm hit and run all the way
I'm hit and run, we might die today
(Well, I'm dead)
I'm hit and run all the way
(Hit and run, hit and run)
I'm hit and run, we might die today

Well, I don' know, why we wonder
When you see the rain, now people
And you leave the thunder
Try to open your eyes
Open your eyes
Try to open your eyes
'Cuz everybody gonna die

We might die today
Okay, okay

I'm hit and run all the way
Yeah, I'm hit and run, we might die today
Yeah, I'm hit and run
(Hit and run, hit and run, hit and run, hit and run)
Yeah, I'm hit and run
(Hit and run, hit and run)
I'm hit and run
(We gonna die today, okay, okay, okay)
I'm hit and run
