I saw a picture yesterday  
You know the one we were laughing in the rain  
Remember how it used to be  
Remember you were still in love with me

But you turned away  
And I start to cry  
I'm lost without your love  
And I won't survive  
Don't leave me  
Alone tonight  
I'm lost without your love  
And I won't survive

Don't leave me  
Cause I won't survive  
I'm lost without your love  
And I won't survive

I can't believe that we are through  
Is it someone else  
Have you found somebody new  
Cause in die inside  
Every-time I close my eyes  
And imagine myself living without you

But you turned the way  
And I start to cry  
I'm lost without your love  
And I won't survive

Don't leave me  
Alone tonight  
I'm lost without your love  
And I won't survive

Don't leave me  
Cause I won't survive  
I'm lost without your love  
And I won't survive
