Well...

I just can't say it
you got a certain way about you
I'll be down on the corner so just,
just float on by while I'm dreaming

You keep me waiting for you, waiting for you, waiting
for you

So tired just dreaming of you, dreaming of you,
dreaming of you

So long, so long, so long
I've been waiting, waiting for you...
Tonight, tonight, tonight
I've been dreaming, dreaming of you

I stood outside
and I called you
Saw your voice come up out of the walls
I keep waiting for something I'm not so, sure of
Not thinking of anything, but you at all

You keep me waiting for you, waiting for you, waiting
for you

So tired of dreaming of you, dreaming of you,
dreaming of you
