Jimmy carter ran for President again
You voted for who you want but the Government wins
It's not a question of who can do the job
It's just a matter of how much money you have

In the world war three
World war three
Where do I stand in this form of power?
Where do I fit in this Government?
I find no choice
Third world war
And you're the victims
Third world war
And you're the victims

If I don't register, I have to pay
I refuse to go there's no fuckin' way
The systems lookin' for a drastic change
Don't look at me 'cause I'm out of your range

In the world war three
World war three
Where do I stand in this form of power?
Where do I fit in this Government?
I find no choice
Third world war
And you're the victims
Third world war
And you're the victims

In the world war three
World war three
Where do I stand in this form of power?
Where do I fit in this Government?
I find no choice
Third world war
And you're the victims
Third world war
And you're the victims

Don't go
Don't go

Don't go
Don't go

I won't go
I won't go
I won't go
I won't go

Don't go
Don't go
Don't go
Don't go

I won't go
I won't go
I won't go
I won't go

Don't go
