Just how far can you go ?

Oh who knows ?

You think I'm entertaining oh oh

Can you see a danger ? oh oh

You're on your way

You're going further every day

Now I've got to let you go, oh oh oh, oh oh oh oh

And I've got to let you know, oh oh oh oh

Close the door, you didn't see

Don't you know I'm a beauty queen yeah

You say you wanna make-up oh oh

But hey it's time to wake up oh oh

Just how far will I go ?

Who knows ?

Say, now you're entertaining oh oh

You didn't see the danger oh oh

I'm on my way

I'm going further every day

Now I've got to let you go, oh oh oh, oh oh oh oh

And I've got to let you know, oh oh oh oh

There's a door you didn't see

Don't you know I'm a beauty queen ?

Beauty queen

You didn't see

Now I've got to let you go, oh oh oh, oh oh oh oh

And I've got to let you know, oh oh oh oh

Now I've got to let you go, oh oh oh, oh oh oh oh

And I've got to let you know, oh oh oh oh

There's a door you didn't see

Don't you know I'm a beauty queen ?

Beauty queen

You didn't see

Don't you forget all about the things you said

Oh they float around inside my head

And you think you got the best of me

But hey, it's just like the history yeah
