You Were Made for Me
Freddie and the Dreamers
written by Murray

- (#21 in 1965)

Chorus:

You were made for me (you were made for me).
Everybody tells me so.
You were made for me (you were made for me),
Tell me then that you don't know.

All the trees were made for little things that sing and
fly.
And the sun was made to burn so bright and light the
sky-ee-y-ee-y
Pretty eyes were never made to cry, they were made to
see.
When I hold you in my arms I know that you were made
for me.
(Chorus)
All the flowers in the field were made to please the
bees.
For the fishes swim to make the rivers run to the sea-
ee-ee-ee-eas.
Every hand was made to hold another, tenderly.
When I kissed you on your lips I knew that you were
made for me.
(Chorus)

Da da daaa da da da da da daaa da daaa da daaaa
Da da daaa da da da da da daaa da daa de-da-de-da-
de-da
(Chorus)

Every hand was made to hold another, tenderly.
When I kissed you on your lips I knew that
You were made,
You were made,
You were made for me.
