Whenever I feel your arms around me
it seems like we never been apart
and everythings perfect
yeah yeah
yes everythings perfect
yeah yeah

Whenever I see you smiling at me
I know you can never live without me
I think thats just perfect
yeah yeah
and my life is perfect
yeah yeah

I think that this could be destiny
and do no wrong when your next to me
together I hope we'll always be

Whenever i'm with you
It's like a dream come true
Whenever i'm with you
It makes me smile so bright
You know it seems so right
I'm happy as can be
Whenever your with me
Whenever i'm with you
Is like a dream come true

Whenever I feel your arms around me
Whenever I see you smiling at me
Whenever I feel your arms around me
Whenever I see you smiling at me

so now that we're here lets have a good time
I know that I belted from the start
'cuz everythings perfect
yeah yeah
yes everything perfect
yeah yeah

it's always a thrill to have you with me

I know that you see it in my eyes
'cuz everything perfect
yeah yeah
and our life is perfect
yeah yeah

I think that this can be destiny
can do no wrong when your next to me
together I hope we'll always be
whenever i'm with you

it's like a dream come true
whenever i'm with you
it makes me smile so bright
ya know it seems so right
i'm happy as can be
whenever your with me
whenever i'm with you
it's like a dream come true

Whenever I feel your arms around me
whenever I see you smiling at me
whenever I feel your arms around me
whenever I see you smiling at me

Whenever I see you smiling at me
I know you can never live without me
I think thats just perfect
yeah yeah
and our life is perfect
yeah yeah

whenever i'm with you
it's like a dream come true
whenever i'm with you
it makes me smile so bright
you know it seems so right
i'm as happy as can be
whenever your with me
whenever i'm with you
it's like a dream come true

it's like a dream come true
whenever i'm with you
it makes me smile so bright
you know it seems so right
i'm happy as can be
whenever your with me
whenever i'm with you
it's like a dream come true
