[Intro: Bumpy Knuckles]

Yo...It's Bumpy Knuckle's yo

Yo DJ let's bring it back

It's Freddy Foxxx yo..I'm on that Bullshit again

I'm on it, I'm sorry

[Freddie Foxxx a/k/a Bumpy Knuckles]

Yo..Keep it real, are you really that ill?

You should of took the time to stop them Rebuild

You know Bumpy Knucks can Pop when I feel

These niggaz on the Mic ain't keepin' it real

Somebody tell 'em "There is a battle on the Battlefield"

I take the lean Vocal out, turn the stage into a minefield

BOOM!, now I see DOOM!

To all of these Rakim fans in the motherfuckin' room

Sorry for the let-down but here are the facts

Eric B wanted Nas, Ra said he was "Wack"

Jesus Christ was Black, So Nas you ain't 'Gods Son'

cause he won't do the track

I'm tellin' you fact, test many wit the Testimony when  
the Trumpets blow

I'm the Third seal Black Horse, ya'll already know

A lot of people can't understand the Beef we got

And since I brought it to the God, now the streets is hot

It's too bad you ain't hungry to eat me Pop

Cuz alot of people hope you can beat me Pop

Yea they want me to fall to the Rap Messiah

Who said Bumpy Knuckles is just a Compulsive liar

You're R the A to the K-I-M

Nigga you ain't even harder then 'lil K-I-M

Hear my Vocals strainin', I bought the 'Master'

That album was a total Hip-Hop disaster

The Musical Massacre and the Punisher

The same wack rhyme flow on every one of them

Yea I heard you tried to spit 'Militia 2G'

And couldn't out-rap 'Guru' and 'Dub C'

I can't name a phrase that was rarely heard that you  
flipped

(None!) and made a daily word (C'mon!)

I can get iller than Gnomes, spit you a bomb

The Government'll hunt me like a Saddam

Yea I can start walkin' from Compton to Bayside  
He still ain't in the Studio, I love to hear Dre Side  
Supreme Magnetic, goin' to Rally's  
Bill Blast kept your name up on all the Alley's  
At least you could of signed even though you don't pay  
well  
I guess ?\*Burt Nodella\*? had way more Brain Cells  
Yea it's kinda deep for the fans I'm guessin'  
Peace to the Gods that lived their Lesson  
How could Bumpy Knuckles be mad or even jealous?  
I remember Pork Hot Dog wit extra Relish  
Kid Wizard on straight Path and he told ya'll  
He was tryin' to go Stony-Brook and play some Ball  
C'mon, let me tell you niggaz 'bout some Legendary  
shit  
These niggaz ain't Legendary if they don't spit  
Not only in the Studio but Live on Stage  
Stop Lip-Synchin' Vocals dawg cause we're outraged  
Yea I'm outraged dawg cause Bumpy is a fan  
A Voracious ass nigga wit the Mic in his hand...
