Well little mike he took his toys and he dug them in the sand

Cause grown-ups don't believe in what they cannot understand.

So I'm done now, now.

Pretending just for fun I've run out of ideas,
Playtime never seemed so slow.

So all grown-ups won't you listen
If I were in your position
I'd have all your toys dug up
To bring back those worlds you made
together we all could play (x2)

Little Suzy shook her head
"I want more, than toys" she said
From now on I want The Truth...
So I'm done now
Pretending just for fun I've run out of ideas,
and playtime never seemed so slow.

So all grown-ups won't you listen
If I were in your position
I'd have all your toys dug up
To bring back those worlds you made
together we all could play (x2)

Oh no you don't want to know
Young world with so much ambition
I'm sure you'll see someday but for now
Just let your wonder be your guide (x2)

So all grown-ups won't you listen
If I were in your position
I'd have all your toys dug up
To bring back those worlds you made
together we all could play (x2)

all could stay...
all could play...
