"Blues So Bad"

Blues so bad I can't take 'em
Blues so bad I can't shake 'em
Blues so bad I wanna hurry
Just to find me some place to worry

I try to drown 'em in drink
but what do you think
the Blues can swim
they don't sink

Blues so bad I don't try
Blues so bad I wanna die
Blues so bad that I roll 'em
Blues so bad that I told 'em

My favorite joke
Got to give 'em a toke
Blues don't burn
they just smoke

Blues so bad I look slouchy
Blues so bad I feel grouchy
Blues so bad I ain't even
I ain't even tryin' to leave

I try to get 'em to blow
but what do you know
the Blues still come
they don't go
