Her Mind Is Gone

If you got a woman
You don't understand
Don't have to call a Doctor
Give her to another Man

Chorus:
Cause her Mind is Gone
Yeah, her Mind is Gone
When a women does your wrong, she won't do right no
more

I remember when I fist got married
I tried to settle down
but the woman I took for my wife
took me for a clown

Chorus:

I bought her rubies and diamonds
I even bought her a house
We lasted only 2 weeks
Then she through me out

Chorus:

Lead

Sometime she thinks she well
Sometime she thinks she won't
On the times she should
That's the time she won't

Chorus

So now you've heard my story
I ain't going to say no more
If you got a women like mine, then
Down the road you go

Chorus
