It's over now, it's in the past, and we said our
goodbyes.
What went wrong, I'll never know,
I guess we had some good times.
You tried to explain it, oh, let me down slow.
How I wish I could change it.
I can't help it, these feelings... just won't let go.

When the night closes in,
and the heartache begins,
just remember, I'm only guilty
of loving you...

I wish the rain would go away, from outside my window.
Each passing day reminds me, of how much I miss you.
Since you said you were leaving,
hmm, I'm so empty inside.
I refuse to believe it. If only we could be together again.

When the night closes in,
and the heartache begins,
just remember, I'm only guilty
of loving you...

Solo...

When the night closes in,
and the heartache begins,
just remember, I'm only guilty
of loving you... oh, baby.

When the night closes in,
and the heartache, heartache, begins,
just remember, I'm only guilty
of loving you...

Just remember, I'm only guilty of loving you....
