You been meetin' your man, baby  
Down at the local laundromat  
Said, you been meetin' your man, baby  
Down at the local laundromat  
I've done got wise, baby  
And I ain't goin' for that

Yes, you get up early every mornin'  
And you grab an old blouse or two  
Yes, you get up early in the mornin'  
And you grab an old blouse or two  
Then you so down to the laundry  
Where your man's been waitin' on you

You better hear my warnin'  
I'm gettin' madder everyday  
Yes, you better hear my warnin'  
I'm gettin' madder everyday  
I don't want you to get so clean, babe  
You just might wash your life away

Oh no, listen baby  
I'm gonna keep a close eye on you  
Oh baby, I'm gonna keep a close eye on you  
Listen, the next time you go to the laundry, baby  
I want you to know that I'll be there too
