I've never felt the same,
It's just a stupid game.
Who we are is who we are.
I've cried tears of alone,
I've let myself go.
Hello, I've let it go too far...

The sun,
It shines with ecstasy.
The moon,
It watches over me.
But tonight it,
Can't see me...

My lady left me but it's,
So ordinary.
Feel the life of love,
Take a separate road.
My baby left me and it's,
Quite bittersweet.
Feel this life of love,
Take a separate road...

I've never felt the same,
My eyes now see green.
I don't mean it, after all it's that bad.
I jumped a bit too far,
Landed on the median.
Who we are is, who we are...

The sun it,
Shines with ecstasy.
The moon,
It watches over me.
But tonight it,
Can't see me...

Repeat chorus 1 time,
then solo,
then:

My lady left me but it's,
So ordinary.
Feel the life of love,
Take a separate road.
My baby left me and it's,
Quite melancholy.
Feel this life of love,
Take a separate road.
I said,
Feel it,
Take a separate.
Feel it,
Take a separate.
The moon it hangs above me,
But tonight it Can't See Me...
