I know,  
It's been so long,  
Since we've had the chance to,  
Work this out.  
And so,  
There's no reason,  
To waste tonight on your,  
Foolish mind.  
At times I can be random,  
But I'm not one to abandon.  
Just don't,  
Pull your foot out from my,  
Only open door...

CHORUS  
Stay beside me,  
Oh darling.  
Stay beside me,  
Oh darling.  
Don't leave me here,  
Fending off alone.  
When it's your heart I'm,  
Fighting for.  
Don't you take away,  
Your warmth.  
Oh baby,  
You're the only,  
Woman I know...

Sometimes,  
I get crazy,  
And assume the worst,  
In my mind.  
That's why,  
Oh baby,  
I'll ask you where we stand from,  
Time to time.  
The traces that lead,  
All come running back to me,  
Just don't,  
Pull the board right out from,

Under Me...

Repeat Chorus 1 time,

Then solo

Then Repeat Chorus 1 time

Then...END!!!
