[Snoop Dogg]

Ye-yeah (ye-yeah), uhh.. uhh

Ye-yeah (ye-yeah), uhh.. uhh

Yeah (West Coast), ye-yeah

Everybody get up!

[Verse One]

Keep it krunk and you bump at the club, what

Huh, it ain't no limitations on the bus (what)

Ask for spot, I'ma eat it up

and keep sweatin, ya ain't sayin nuttin (what)

Muhammad Ali, keep bustin, makin loot, fight money

You thought I wasn't, it's just like honey and it sound so free

but enough to make them haters get up off of they seat

I said "You buggin me," simple woman

come with the world's greatest hits

Watch this girl but don't get it twisted

Doin it, doin it 'til I'm filthy rich

Motherfuckers get rich to this

[Verse Two]

Uhh, we reach rolls, double-oh's, whole calvary's  
statinated

Niggaz look to get it acres of Bone, collaborated  
+Top Gun+ throwin dubs, you bitches let's be for real  
(how we mad shout with mad scarfs of the season is)  
Squarin off like a prisoner, we hustle wit G'ism  
Niggaz thought the medicated can relate to how we  
livin

We barks like Rotweilers, poppin Cris' and our collar  
In the club pop hoes, got them niggaz scared to holla  
Dogg House and Bone Thugs just way too big  
Tracks flossed out, we floss out, ya under dig?

[Chorus: Snoop Dogg] \*

Please believe it, please believe it

Please believe it, please believe it

Please believe it, please believe it

\* last line only first time

[Verse Three]

Do you know I give it to ya cause thats how we (bang  
bang!)  
Wit mo' thugs control a shotgun doin they (thug thang!)  
Jump off they Don's when we threw out they new illest  
filth  
When motherfuckers get excluded cause they ora's  
ain't free  
(let me holla from six hoes thats tight wit fo' do's)  
The lense roll the Dogg House (ya know know)  
I camoflouge 'til I make ya knee wit' the apparel calvary  
(unchanged)  
or callin me (rep the bo's)  
While the left of the right, hoes regulate you tight  
While my niggaz cop the G's and my bitches rock (icey  
E's)  
Pace but unstoppable when all my homies got it (rep,  
y'know!)

[Chorus]

[L-Burna]

Mo Thug and the Dogg House, and who wanna fuck or  
touch this powerhouse  
Nigga go move yo' car, we'll strike you out, knock you  
outta the box  
Nigga it's a mad world, wit a bad girl, like the Doggy's  
Angels resumÃ©  
Don't smash, nigga we out here gettin this cash  
Don't trip on zero-zero-zero-zero  
I'da seen too many people lackin not-a be stackin  
Nigga we out here almost (?) rappin fools  
Better tell this dude, tryna have a little fun  
when the arobic bloom, nigga we here let's have it  
and autopsy never been no new so make it paper  
chasin  
Release of this stress, wit the booty that we blessed  
Never-the-less, when it's mobbin for real  
Niggaz ain't even keep it real, they gon' keep it real  
Tell you exactly how I feel, you know the drill  
Get the G's please, and get them oversea's, blowin  
trees  
Boom-a-watts(?) my Long Beach O.G.'s, Eazy-E - rest in  
peace  
I'ma put it down, 'til the day I D-I-E!

[Snoop Dogg]

Hit you wit the shit that just make you wanna kill us slow  
Keepin it gangsta so you-you know I always feel it  
though

Livin a life of a rapper and a C.E.O.  
My life ain't change except the strange silly hoe  
Bitches ain't shit and I mean it sincerely though  
Come inside the house and you can hear me though  
Really though, you silly hoe  
Here we go, here we go, here we, here we, go-go  
C'mon everybody, y'all all get down  
What we have, is a brand new sound (what, what?)  
So nobody out there be misled  
like I had a bitch in my bed and she could give me  
some head

[Chorus]

[Snoop Dogg over Chorus]  
Haha, y'know what? Haha, y'know  
Everybody get up!

Believe in me, you gotta believe in me  
Everybody get up!  
Gotta believe this song, might as well believe in me!  
Big Snoop Dogg, Doggy's Angels, Layzie Bone  
Battlecat on the track, ugh  
Believe that! Hello

[Chorus]

[Snoop Dogg over Chorus]  
Y'know.. say what?  
Please believe it

And we out! L.. B.. C  
See ya! Sideways 'til the next life  
Can't leave without doin it  
BIATCH!
