You say
You're never worried
You're always so carefree

You say
You never cry 'cause
It's not all it's cracked up to be

And you lie
Because it's easy
Because it's easy

It doesn't have to be this way
It shouldn't have to be this way

You call me
But you're not lonely
You're just by yourself

You want me
To say I love you
But you won't let me begin

So you die
Because it's easy
Because it's easy

It doesn't have to be this way
It shouldn't have to be this way
All the time in the world
Isn't enough time
All the time in the world
Isn't enough time

I want you
I need you
But I can't have you

I see you
Seeing me
And you smile

So I try
But it ain't easy
It ain't easy

It doesn't have to be this way
It shouldn't have to be this way
All the time in the world
Isn't enough time
All the time in the world
Isn't enough time

So I try
But it ain't easy
It ain't easy
