My zipper went zip

I put my pants to my hips

She put her thumbs up like the father said ---

I was like 'shit, i dislike her'

She got her thumbs in the air like a hitch hiker

Ready to fight her

But instead I chill

I looked her in tha grill and said

Oh yes you will...be lickin my dick toniiiite [slurp]  
Oh no I motherfucking won't

[Verse 3]

Ha, yo

[Verse 4]

You would swear that she want it from the way she kiss  
my stomach [huh]  
I couldn't wait to start cummin from it  
Imagine if she doin it like she gettin blunted  
You know, French kissin, puttin her tongue on it  
And then she stopped  
And I was like 'doggone it'  
Stop actin scared like my house haunted

Oh yes you will...be lickin my dick toniiiite

[Verse 5]

I said 'boo, do me and I do you'  
She said 'OK, go first, then I do you'
