[Intro: Free Murda (Terra Tory) {ShaCronz}]

Yeah, Free Murda, ya'll

ShaCronz, ya'll, Terra Tory, ya'll (C.C.F., nigga)

The Division, (C.O.D., nigga) Fort Greene

Uh-huh, uh-huh, little side {yeah} uh-huh, uh-huh

{Yeah, who we be?} ShaCronz, Terra Tory, Murda Free,  
let's go

[Free Murda]

Yo, ya'll be like Free blacken, when ya'll see him in a G  
wagon

Cheese stacking, burberry seats, he's macking

We crashing a whole club up

This is a Division, dare a nigga run up

[Terra Tory]

Let's pop them things, like corks, pumping 'knicks' like  
New York

Or we can ball to A-T-L like the Hawks

Ever seen 24's in a trunk, make them whores go and  
fuck

See the fifth, bet they gon' gon' duck

[ShaCronz]

Slow down, the line pat' son, we V.I.P.

Got eight bags of weed, don't need I.D.

I'mma roll up, we early, Tory, pass the dutch

Make sure you put them gats in, nigga, that's what's up

[Free Murda]

About to jump out, like what, start lighting the door up

I ain't talking bout shooting, what's writing the floor up

Damn, I've gone nuts, girls, put your hands up

Bout to hit V.I.P., where I can't pull my pants up

[Chorus: Free Murda (ShaCronz)]

Got what you want (let's go)

Yo, we got what you need (yeah, yeah)

When you see a real G., (holla at me)

Ma, roll up some weed (yeah, yeah)

Cuz we gwhat you want (let's go)

And we got what you need (yeah, yeah)  
When you see a real G. (call)  
ShaCronz, Terra Tory, Murda Free (let's go)

[Terra Tory]

Just came out, don't mean to floss  
Turned the game out, we G's of course  
We play the back of the club, it's G's of course  
Whole team in Gucci, straight G's of course

[ShaCronz]

Yo, I got a little to waste, fuck a few bottles we buying  
the case  
High as a kite, drunk, plus I'm try'nna scrape  
Something, nice and thick, I need a licensed chick  
With her own crib, no kids, and like to trick

[Free Murda]

I think I got what you want, standing right here  
Cronz, that little chick in them Gucci Nike Air's, huh  
I know you like that, you wont walk past her  
Seems like a vehicle, you gots to gas her

[Chorus 2X]
