(Intro: Mista Madd)

Uh man

It's been 4 years

Ya boys still down talkin'

Show me love

(Verse 1: Mista Madd)

Niggas I know

Rather see my head low

Not makin' no doe

Cuffed by the po po

Look at what I started

You won't admit it though

Mad cause i move to fast

Ya just move to slow

Through all the hate

I still shine though

I illuminate wherever I go

I got a tight flow

But they won't say so

Man them boys know I'm busted

From Rimmy and Chateau

I got a phat house

With a little escrow

Got a 401K and a B.P.O.

Now they wanna make movies,cds,and much mo

Didn't even had a dream before I knocked down doe

Call me head hancha

Labeled ceo

Nigga I'ma big shot rappers don't make doe

You'll never be nobody

We gonna call you John Doe

Yes I did ya hoe

We gonna call her Jane Doe

She said I'ma might doe

Ya lovin' was so-so

Gave up ya publishin shea

And end up on Skid Row

I signed the whole industry

Won't admit that

First one to put out dirty.clean, and screw tracks

Created movies and sitcoms  
No one remembers that  
But ya'll be the first ones to down talk me  
Ha how you love that  
After all I did for ya  
Is love too much to ask for  
Some do give a little bit  
But shit I need much more

(Chorus: Heather Nicole)  
Just a little love is all I need  
You player haters never stoppin' me  
Baller blockers won't you let me be  
So haters step back and let us do our thing

(Verse 2: South Park Mexican)  
SPM get death threats every day  
Niggas talkin' bout they want me walkin' memory lane  
Let the jealousy rain  
My enemies pain  
Bitches mad cause I'm one step ahead of the game  
Credible name  
And I give the same  
Just ya everyday hustler sellin' my game  
I was left in the flame  
Raised by mama  
Now I know I'm coming up  
Cause I done fucked Madonna  
I'ma baller  
street scholar  
Creep crawler  
In a bloody body holler  
I put dope on wax  
Tapes and cds  
Wake up every morning and smoke my weedies  
We G's and if you hate it here's our quote  
If my names in your mouth  
Then my dicks down your throat  
Don't choke ha ha  
I love you haters  
Cause if it wasn't for you  
There wouldn't be us players  
for real

(Chorus 2X)

(Outro: Heather Nicole)  
Just just a little love  
Just just a little love  
Just a little love is all I need
