Needs refill my isolation
I ponder it
I honor it
You say you'd like to see me closer
Of course you would
You have no choice
And they cry cause the weather has gotten to me
and laugh at the people that I can't be
All their lives
Silly pictures
Chorus:
hey now, now, now, hey now, hey baby
Baby's gettin' older
hey now, now, now, hey now, hey baby
The tide is turnin'
Turnin' us away
Build a wall I'll build a fountain
Wrestled it
Conquered it
Think we'll live to see the mountain
Of course we will
We have no choice
And I cry cause the weather has gotten to me
and I laugh at the people that I can't be
All their lives
Silly pictures
Chorus:

hey now, now, now, hey now, hey baby
Baby's gettin' older
Baby's gettin' older
hey now, now, now, hey now, hey baby
The tide is turnin'
Don't turn me away
And I can remember
Forever December
The sense of it dyin'
The harder the pain
The rose in the bottle
Thorns at the bottom
The stars surround me
The cold astounds me

And I cry cause the weather has gotten to me
and I laugh at the people that I can't be
All their lives
Pretty pictures
Baby's gettin' older
Chorus:
hey now, now, now, hey now, hey baby
Baby's gettin' older
Baby's gettin' older
hey now, now, now, hey now, hey baby
The tide is turnin'
Don't turn me away
