Help me to remember girl if you don't mind
'Cause I feel just like the jester when the music died
Haven't seen you lately
But I know that nothing's changed

Feeling kinda shaky but the wounds have healed
There's a crack there in the doorway where the walls
have peeled
Well I still see, the sun go down on a clear day

Here comes horses
And here there goes the rain
Here goes nothing
Here it comes again

I was thinking I was angry but I'll let it go
I was waiting on a miracle but nothing showed
And they say our new messiah
He's at the local bar

Greetings from the home front have you heard the
news
That daddy bet his paycheck on the horses shoes
And we won't feel that way for a long long time
Well, long time yeah

Here comes horses
And here there goes the rain
Here goes nothing
Here it comes again

Sitting in a taxi at the evenings end
I was trying to remember where it was I'd been and
Whether I've got someplace else to be

I ask you why you come here, you say just because
I guess, I could do without it if I knew what it was well
It really doesn't matter, when you look at me that way

Well, here comes horses
And here there goes the rain
[Incomprehensible]

Here goes nothing
Here it comes again

Well, here comes horses
And here goes the rain
Here goes nothing
