She had said, "Don't cry"
Said, "It only hurts forever, and all we have is time"
Yeah, she said, she will never know
So close your eyes, turn down the lights
And I can start this show

Yeah, well I can't sleep, so I believe
If the shades are drawn, then the slate is clean
So don't look at pride, well there is no other way now
Don't try to make no sense of this scene
It's just between Caroline and me and we keep
changing

Yeah, we can grow like a board on the shore
She says, I'm restless just a little more time
Well, you know damn well she wants to feel this high

Yeah, we knew just who we were
Yeah, well who we thought we'd try to be
And who it's gonna hurt
Oh but if I'd said, if I was strong at all
Well, then I wouldn't be with someone else
I know where I belong

Yeah, well I can't sleep, so I believe
If the shades are drawn, then the slate is clean
So don't look at pride, well there is no other way, yeah
Don't try to make no sense of this scene
It's just between Caroline and me and we keep
changing

Yeah, we can grow like a board on the floor
She says, I'm restless just a little more time
A little more time
Well, you know damn well she wants to feel this high

Yeah, well I can't sleep so I believe
If the shades are drawn, then the slate is clean
So don't look at pride, well there is no other way, yeah
Don't try to make no sense of this scene
It's just between Caroline and me and we keep
changing

Yeah, we can grow like a board on the floor
She says, I'm restless just a little more time
Well, you know damn well she wants to feel this high
She wants to feel this high, high, high, high, high
