I don't know what we're fighting about  
When everyone can see that I'm not crazy  
I only wanted to be the only one  
I only wanted to be the only one

A chance to be forgiven, a chance to be forsaken  
Did I ever by chance cross your mind?  
I only wanted a chance to see you shine  
I only wanted a chance to see you shine

I don't have no worries, no and I don't need no answers  
And there's just enough to make it day by day  
Just enough to make you fade away  
I don't know what we're fighting about

Everyone can see that I'm not crazy  
I only wanted to be the only one  
I only wanted to be the only one

I don't need forgiveness and I wont be forsaken  
And I'm only here to take back what is mine  
I cant believe the dullness of your shine  
Just enough has been taken away

To make me believe in it all and I pray  
And I've only been on at the start to begin  
Just enough that there seems to be no end  
I only wanted to see your face again  
I only wanted to touch your face again

I don't know what we're fighting about  
Every one can see that I'm not crazy  
I only wanted to be the only one  
I only wanted to be the only one
