Do you know who I am?  
Do you know where you are?  
Are you where you want to be?

Do you see what you like?  
Do you like what you see?  
Do you think a need in you  
Can fulfill a need in me?

You're on your own, you're on your own  
In a no man's land  
In a danger zone  
You're on your own, you're on your own  
And you cant turn back  
And you can't find your way home

Do you know who you are?  
Do you know what you want?  
Can you see me as I am?

Do you think you're a lion  
And I'm a lamb?  
That you came in here a boy  
And you're going out a man?

You're on your own, you're on your own  
And there's no way out  
Of the danger zone  
You're on your own, you're on your own  
And your only friend  
Is a heart of stone

And now you are alone my friend  
And I must set you free  
And you must face the world outside  
And find your destiny...

You're on your own, you're on your own  
In a no man's land  
In a danger zone  
You're on your own, you're on your own

And your only friend has a heart of stone

You're on your own, you're on your own  
And there's no way out  
Of the danger zone  
You're on your own, you're on your own  
Just a lonely child  
And you can't find your way home
