In this corner
(robed in white)
Of the good and the right
(stands a champion)
Stands a champion robed in white)

His height exceeds the heavens,
His weight outways the world, his
reach, reaches everywhere, his age
is evermore

He is higher than the highest, greater
than the great, no one will ever take his
crown away. He's more mighty than mightiest,
He reigns from above, he's the all time, undisputed,
Undefeated champion (HE is the all time,
undisputed, Undefeated, champion of love)

He left his hometown, to enter this arena, to
raise his hands in victory for me, an angry crowd
crucified this king who wore the crown, as they gladly
watched the champion going down,

But I will never count him out, for I am a witness of the
day he arose to attain the title, Champion of love.

He is higher than the highest, greater
than the great, no one will ever take his
crown away. He's more mighty than mightiest,
He reigns from above, he's the all time, undisputed,
Undefeated champion of love

He is higher than the highest, greater
than the great, no one will ever take his

crown away. He's more mighty than mightiest,
He reigns from above

(5- part) He is higher than the highest, greater
than the great, no one will ever take his
crown away. He's more mighty than mightiest,
He reigns from above, he's the all time, undisputed,
Undefeated champion of love
