Joseph was looking for a place to sleep when
His life was changed by a baby boy
Mary had secrets that her heart must keep
Her life was changed by a baby boy

They were glad (so glad)
So glad (so glad)
They were glad, so glad
Their lives were changed by a baby boy

A host of bright angles tell the shepherd band
Their lives were changed by a baby boy
And when the angel said, "go" they obeyed the
command
Their lives were changed by a baby boy

REPEAT CHORUS

(Bridge)

Hallelujah, hallelujah
Hallelujah
Their lives were changed by a baby boy
Hallelujah, hallelujah
Hallelujah
Their lives were changed by a baby boy

The kings had to follow a brand new star
Their lives were changed by a baby boy
No matter how long and no matter how far
Their lives were changed by a baby boy
I was searching for something I could not name until
My life was changed by a baby boy
I gave Him room and I am not the same because
My life was changed by a baby boy
Spoken: He saved my soul and I want you to know that

I'm glad (I'm glad)
So glad (so glad)
So glad (I'm so glad)
My life was changed by a baby boy

(Bridge)

Hallelujah, hallelujah
Hallelujah
My life was changed by a baby boy
Hallelujah, hallelujah
Hallelujah
My life was changed by a baby boy

REPEAT BRIDGE

(TAG)

My life was changed by a baby boy
My life was changed by a baby boy
My life was changed by a baby boy
My life was changed by a baby boy
