(Chorus)

I'm spending Christmas in Indiana  
Where the folks never change and everyone knows  
your name  
Can't wait to be back in Indiana  
Where the rivers still freeze and the snow whites the  
trees  
I'm gonna catch a flight come Friday night  
So I can hold you close by the candlelight  
And we'll love again just like we did back then in  
Indiana

(Verse)

There's a place on the edge of town I just can't  
wait to see  
Where the houses are warm and I'll find again that  
little child in me

REPEAT CHORUS

INSTRUMENTAL BREAK

Home is where the heart is  
Mine's in Indiana  
I'm gonna catch a flight come Friday night  
So I can hold you close by the candlelight  
And we'll love again just like we did back then in  
Indiana  
Indiana  
I'm spending Christmas in Indiana
