Light a candle for the old man who sits staring  
Out a frosty windowpane  
Light a candle for the woman who is lonely

And every Christmas is the same  
For the children who need  
More than presents can bring

Light a candle, light the dark  
Light the world, light a heart or two  
Light a candle for me  
I'll light a candle for you

Light a candle for the homeless and the hungry  
A little shelter from the cold  
Light a candle for the broken and forgotten

May the season warm their souls  
Can we open our hearts  
To shine through the dark

Light a candle, light the dark  
Light the world, light a heart or two  
Light a candle for me  
I'll light a candle for you

And in this special time of year  
May peace on earth surround us here  
And teach us there's a better way to live

And with every  
(Every)  
Flame that burns, we must somehow learn  
That love's the greatest gift  
That we could ever give

Light a candle, light the dark  
Light the world, light a heart or two  
Light a candle for me  
I'll light a candle for you

Light a candle, light the dark  
Light the world, light a heart or two  
Light a candle for me  
I'll light a candle for you

Light a candle for me  
I'll light a candle for you  
Light a candle for me  
I'll light a candle for you
