The House Folds
She wins again
The Circus Must Go On Even Though
It Means the End

Hypocrite
Killer of youth
Fire Both Barrels
And Bring the Giant Down

Must Kill
Must Kill
Must Face Execution

Jeg skj nte det ikke
Og nu er det for sent
Min dom er rettferdig.
Din straff er fortjent
Jeg trodde p  fremgang
Jeg trodde p  fred
P  arbeid
P  samhold
P  kj rlighet!

Men dem som ikke vil d  i flokk!
F r pr ve alene p  b nnelands blokk!

The House Won
She lost again
The Circus Went On Even Though
It Meant the End

Must Kill
Must Kill
Must Face Execution
