He ruled the golden silent screen
He haunted millions in their dreams
His memory lives on till today
Some even say that he was lonely

So listen to my story, here's some heavy news
Get a hold of this one

Some men think that they are hot
But they ain't got the charm of Valentino
When that man gave you the eye
The masses would just melt and sigh for Tino

Each new part he played made him a superstar
My favorite pantomime, he never spoke a line
People pass away, but legends stay
Valentino, R.I.P.

My favorite sheik of Araby
You put us all in ecstasy
Take any dream or fantasy
You made them true, not just for me

So if I'm not being too cheeky
Listen now and hear this one

Fairbanks, Chaplin, Barry Moore
Had leading ladies by the score like Tino
Sure, they all could Latin love
But there was only one like Valentino

There were rumors 'bout his personality
Well, let me tell you dear, don't believe all you hear
As Grandpa died he whispered in my ear
Tino was his favorite star

So if I'm not being too cheeky
Listen now and get a hold of this one

Fairbanks, Chaplin, Barry Moore
Had leading ladies by the score like Tino
Sure, they all could Latin love

But there was only one like Valentino

There were rumors 'bout his personality
Well, let me tell you dear, don't believe all you hear
As Grandpa died he whispered in my ear
Tino was his favorite star

Some men think that they are hot
But they ain't got the charm of Valentino
When that man gave you the eye
The masses would just melt and sigh for Tino

My favorite pantomime, he never spoke a line
People pass away, but legends stay
