Life is a roll like the dice and you know? [3X]
Do you wanna play?
Now if you, base out and ace out
Ace is an ass out
Also an ass whip
You catch quick those who catch it most don't last it
down on Doogan
They rollin' two deep, so they ain't too sleep and crews
creep but they
hard to
beat bustin' out two jeeps there's Tracy, tricky and
trickin' chokin'
nuff
chicken she's burnin' and when that chick is broke that
bitch is
stickin'
up the block is for the hoe no another pro hoe she pick
pockets when she
rocks it it ain't no loot out on that hoe stroll on block five
ya catch
a
fever and get no breather either beat it or break it to
break it down
thrw
it I need it look for trips yeah the triplets cause that's
the hit click
and on down is a pick up cause it's a stick-up on the
freak tip, just
when
you think things were looking messy she lives six
houses on the leffy
her
name is sexy hooked up by Becky true to the dice not
new to the dice
Sexy
dropped me off 456 Ci Lo Blvd. right after she blew on
the dice.

123rd the block'll splatter ya cap's catch ya they batter
ya niggas
stretch even scavengers breaking fool like Attica stolen

glock and he
know
holding spots from below primos for them g notes
rolling rocks in kilos
ci-lo is the set up poppy's rockin and poppin' ya 123rd
kids fuck up
bank
jackings like Joshua snake what wakeup or bake up pay
up or break up
you're on the block rocked needin' three bitches ta
shake up pimpin
ain't
easy but if ya mac you'll be the largest so if he asses
out he got no
hoes
just three new charges ass and face up in the cut look
who dodges wait
the
case is open and shut fuck garages and everyone on
the strip is more
than
one time offenders and they trusting the roll like they
trustin' public
defenders you see 'em don't want to be 'em hope ci-lo
free 'em I'm
schemin' a fuckin' demon after per diem I'm leaving
sometimes this
evening
yeah in The PM not even wit attitude rude cause fool I'm
geein' a
crafter
after a billing not asking on ya the master mackin' a
million tax-free
from this corner.
