Now you're coming through the backdoor
How did you get there
Do I mind?
Now you're coming through the backdoor
How did you get there
Do I mind?
That's a question for the asking
How did you get there
Do I mind?
Will you linger a little longer
While I wonder

Watch me wear my ruse
Awake your world
And run with fools
Watch me wear my ruse
Awake your world
And run with fools

Now I'm coming through the backdoor
I catch you watching
Do I mind?
Now I'm coming through the backdoor
I catch you watching
Do I mind?
In an eerie sort of way
I sense you reaching
Do I mind
Will you linger a little longer
While I wonder

Watch me wear my ruse
Awake your world
And run with fools
Watch me wear my ruse
Awake your world
And run with fools, oh

Ah la la la [one verse]

Now you're coming through the backdoor

How did you get there
Do I mind?
Now you're coming through the backdoor
How did you get there
Do I mind?

Ah la la la [one verse]

Watch me wear my ruse
Awake your world
And run with fools
Oh, oh
