"For Me"

Visit "[For Me](#)" on MotoLyrics.com

I do not want to
And I do not need to
I do not have to oh
I do not want to
And I do not need to
I do not have to oh

What I did I did for
What I did I did for
What I did I did for me yeah

What I did I did for
What I did I did for
What I did I did for me yeah

I feel so lonely
Cause no one loves me
I feel so lonely oh
Full of self pity
No one cares for me
I feel so ugly oh

What I did I did for
What I did I did for
What I did I did for me yeah

What I did I did for
What I did I did for
What I did I did for me yeah

Make a cut in yourself
A little opening for the pain to get in
For the pain to get in

What I did I did for
What I did I did for
What I did I did for me yeah

What I did I did for
What I did I did for
What I did I did for me yeah

And if you could be true
And if you loved me too
Then I would not have to oh
No love should come for free
What I do I do for
No love should come for oh

What I did I did for
What I did I did for
What I did I did for me yeah

What I did I did for
What I did I did for
What I did I did for me yeah
