Save a dance for me
I'll take the card that's free
You're my kindred, my kindred
Everything you'll ever need
I give to you for free
You're my kindred, my kindred

Now I bind you to me
Now I hold you to me
Now I keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

If you should ever fall
Don't be afraid at all
You're my kindred, my kindred
Though you lose faith in me
Faithful I'll always be
You're my kindred, my kindred

Now I bind you to me
Now I hold you to me
Now I keep you with me
Always

Now I bind you to me
Now I hold you to me

Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Now I keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

I sense the need in you
You see the need in me
You're my kindred, my kindred
If you should fall from grace
I shall restore your place
You're my kindred, my kindred

Now I bind you to me
Now I hold you to me
Now I keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Now I bind you to me

Now I hold you to me
Keep you with me
Always

Now I bind you to me
Now I hold you to me
Keep you with me
Always

Always, always, always, always

Always, always, always, always, always
Always, always, always, always, always
