Chillin in the club, got my boys with me  
And the partys all jumpin in the VIP  
The deejays playin my favorite beat  
And Im havin a good time, baby  
Looked across the room, what did I see  
A really fly girl who to leave with me  
She was burnin up the place, she was shakin that  
Shake  
And she was so fine, so fine  
5 months just to get to know your name  
5 weeks to show you I ain't playin game  
5 days for you to even let me call over to your house,  
Babe  
5 hours on the phone beggin you  
5 minutes and I'll be kissin you  
5 seconds, you got me in a shaky mood, now is the  
time  
Somebody better shake it off (Shake it off)  
Shake it off (Shake it off)  
I know you wanna shake it off (Shake it off)  
So shake it off (Shake it off)  
Shake it off (Shake it off)  
Shake it off  
Oh, baby, shake it off  
So shake it off, shake it off  
Oh, oh, oh, oh, oh  
Shake it off  
Now that we're alone come show me how  
I really wanna learn how you get down  
Don't make me wait cause Im ready now  
Lets get busy one time  
Start shakin that body from left to right  
Didn't even get tired, she could do it all night  
The girl put it on me just the way i like  
I think I love her, I want her  
It took me 5 months just to get to know your name  
5 weeks show you why I play your game  
5 days for you to even let me call over to your house,  
Babe  
5 hours on the phone beggin you  
5 minutes and I'll be kissin you

5 seconds, you got me in a shaky mood, now I think  
Its time  
Somebody better shake it off (Shake it off)  
Shake it off (Shake it off)  
I know you wanna shake it off (Shake it off)  
So shake it off (Shake it off) -ac
