Nights in white satin, never reaching the end,  
Letters I've written, never meaning to send.  
Beauty I'd always missed with these eyes before.  
Just what the truth is, I can't say anymore.

'Cos I love you, yes I love you, oh how I love you.

Gazing at people, some hand in hand,  
Just what I'm going through they can't understand.  
Some try to tell me, thoughts they cannot defend,  
Just what you want to be, you will be in the end.

And I love you, yes I love you,  
Oh how I love you, oh how I love you.

Nights in white satin, never reaching the end,  
Letters I've written, never meaning to send.  
Beauty I've always missed, with these eyes before.  
Just what the truth is, I can't say anymore.

'Cos I love you, yes I love you,  
Oh how I love you, oh how I love you.  
'Cos I love you, yes I love you,  
Oh how I love you, oh how I love you.

Breath deep  
The gathering gloom  
Watch lights fade  
From every room  
Bedsitter people  
Look back and lament  
Another day's useless  
Energy spent

Impassioned lovers  
Wrestle as one  
Lonely man cries for love  
And has none  
New mother picks up  
And suckles her son  
Senior citizens

Wish they were young

Cold hearted orb  
That rules the night  
Removes the colours  
From our sight  
Red is gray and  
Yellow white  
But we decide  
Which is right  
And  
Which is an Illusion
