And I know you've been dreaming  
with that look in your eye  
and I know that you're leaving you're never satisfied,oh  
You're always chasing rainbows  
and I can't stop you,heaven knows  
I'm holding on I just can't let you go  
No matter what you do  
my love will still be true  
\* forever and a day  
my heart will still be strong enough to carry on forever  
and a day  
Here it comes that old feeling  
of hurting deep inside  
you want more than I'm giving  
no matter how a try  
And you can go your own way  
you're looking out for a brighter day I'm gonna love you  
and here I'll  
stay  
\*  
Forever and a day  
oh,forever and a day

You're always chasing rainbows  
and I can't stop you, heaven knows  
I'm holding on I just can't let go

\*

I'll keep our love alive  
until you're by my side  
forever and a day  
the love you try to find  
was right here all the time  
forever and a day
