Ran times lost you see
No nothing that remembers me
Hope you find me in your dreams
Don't forget me i see your tears

Feel the pain that i left behind
and i hope that you will find
Please don't forget the time we spend

(chorus)
And i can feel it
rise and fall
And i can hear it
i hear you call
Feel this.... these flowers
and i will walk for hours
To find the path that sets me free
My spirit is lost.....
Can't you see.... i'm falling
when she.... she gives me.... these flowers

No nothing is just what it seems
ooh I hope you find me in your dreams
now feel the pain that i left behind
Now see the truth and you will find.....
The flowers

(chorus)
And i can feel it
rise and fall
And i can hear it
i hear you call
Feel this.... these flowers
and i.. and i.. and i.. will walk for hours
To find the path that sets me free
My spirit is lost.....
Can't you see.... i'm falling
when she.... she gives me.... these flowers

She gives me flowers
I walk for hours

I went my way back home
The place where i belong

She's giving me flowers
I will walk for hours

And i can feel it
rise and fall
And i can hear it
