Its alright, Fuck you x8

Like in dreamland
Secret liaison
Out at groom lake
Behind a curtain

Subvert beliefs
Authority
Who to believe
Think im free

Its alright, Fuck you x4

Please excuse
Mutilation
WeÂ'll be your friends
Disinformation

Just ignore
The lights at dreamland
We donÂ't care
Just understand

Shape of the A-bomb
Explain or control
Its just for your own good
Just how do I know

Mystery copters
Flying in
Stay awake
Wanna live?
