You'd like to know, you'd like to know, you'd like to know, you
You'd like to say, you'd like to say, you'd like to say, you
You'd like to think, you'd like to think, you'd like to think, you
You'd like to know, you'd like to know, you'd like to know

Who do you think you're fooling
You're number one, you're number one
Who do you think you're fooling
Number one, number one
Who do you think you're fooling
You're number one, number one
Who do you think you're fooling

My number one

You're on your own, you're on your own, you're on your own, you
You're pulling through, you're pulling through, you're pulling through, you
You think you can, you think you can, you think you can, you
I know you can with a helping hand, I know you can

Who do you think you're fooling
You're number one, you're number one
Who do you think you're fooling
You're number one, number one
Who do you think you're fooling
Number one, number one
Who do you think you're fooling

My number one
My number one
My number one
My number one

My number one
