Cry, baby, cry  
Baby, cry

Cry, baby, cry  
And you'll feel better  
Your tears outside  
(Your tears outside)  
Are so much wetter

It's wrong to hide  
Teardrops inside  
When you're blue (so blue)  
Oh, when you're in love  
(You're in love)

The tears from your eyes  
Are nothing but water  
So, go on and cry  
(Go on and cry)  
Just cause you oughta

Cry when you feel  
The feeling is real  
So cry, baby, cry  
Baby, cry

Crying defines your emotions  
It's when you cry, you feel  
Something for love and devotion  
Something so warm and so real

Oh, weep, sweetie, weep  
You're only robbing  
Yourself of sleep  
(Yourself of sleep)  
No harm in sobbing

Don't try to hold  
Release your soul  
And cry, baby, cry  
Baby, cry

Come on and cry  
Oh, cry (cry) cry (cry)...
