Amanda the actress  
Waits at the station  
She's listenin' with nothin' to do  
With Bellaton steps  
She's quick to accept  
The weather in times turn a screw  
She lives in a tower  
Armed with defences  
She learned from her mother and friends  
She walk like a fellow  
Dresses in day-glo  
When she's in pain she pretends

Pre-chorus:  
( 'Cause) late in the night  
When the lights are all on  
She slips off her stockings and shoes  
She makes you her lover  
And lets you discover  
The smile she keeps  
She keeps for you

Chorus:  
She keeps no)  
She keeps no) x 3  
She keeps no secrets from you )

Stays in the morning  
Wearing her shadow  
She throws her dice  
And I change  
Success in Japan  
A rescuing man  
No she won't change anything
