"Stand Up"

Got to make a move now
its so hard to run in place
Slippin' further from the race
People pushin' by you
And the trials sent to try you
Is it all too much to face
Bridges are burnin'
Just another warnin'

It might be time to stand up, stand up
Stand up

Promises are easy
You swallow every word
Just be sure of who you serve
Listen to the warnin'
All your bridges are burnin'
Dont have to wait in line to stand up, stand up

Stand up, stand up
Why dont you stand u-u-hu-up, Owww

Why dont you stand up
Got to make a move now-ow
Its so hard to run in place
Slippin further from the race
I dont like it
All your bridges are burnin'
Its not just another warnin'

Dont have to wait in line to, stand up, stand up
Say why dont you stand up, stand up
Why dont you stand up - stand up
Why dont you stand u-u-hu-u-up
