Thank you and goodnight  
Thank you and goodnight  
Thank you and goodnight  
Thank you and goodnight

Thank you for showing  
Me a wonderful time  
Gee, everything just  
Turned out so fine

So thank you and goodnight  
Thank you and goodnight  
Thank you and goodnight

Funny, the hours seemed  
To go by so fast  
I hope that this time  
Won't be the last  
I want to see you again  
(See you again)

I never felt this way before  
After a very first date  
I never knew what  
One kiss could do  
Gee, but the feeling is great

Baby, it's getting late  
And I've gotta go  
Here's something that  
You ought to know  
I've had the time of my life  
(Time of my life)

Thank you and good night  
Thank you and goodnight  
Thank you and goodnight...

Thank you, baby  
I had a wonderful time  
Thank you, baby
