Mann-Weil)

In this dirty old part of the city  
where the sun refused to shine  
people tell me there is no use in trying  
now my girl you so young and so pretty  
and one thing I know is true  
you'll be dead before your time is due  
see my daddy in bed a dyin'  
see his hair it's turning grey  
he's been working and slaving his life away  
He's been working so hard  
every night and day  
ooh I've been working too  
yeah, yeah  
We gotta get out of this place  
if it's the last thing we ever do  
we gotta get out of this place  
girl there's a better life for me and you  
Now my girl you so young and pretty  
and one thing I know is true  
you'll be dead before your time is due

see my daddy in bed a dyin'  
watch his hair it's turning grey  
he's been working and slaving his life away  
He's been working so hard  
every night and day  
yeah, yeah, yeah  
We gotta get out of this place  
if it's the last thing we ever do  
we gotta get out of this place  
girl there's a better life for me and you
